

SUPER 1200™

FLEX COULTER

Field Proven

Maximum Cutting Power

- ▶ **1200 Pounds of Residue-Slicing Down Force**
- ▶ **Compact Construction Provides Increased Durability**
- ▶ **A Variety of Blade Choices to Match Soil and Residue Situations**
- ▶ **Vertically Adjustable 1" X 3" Shanks Available in Different Sizes to Optimally Match Existing Implements and Row Components**
- ▶ **1-3/4" Diameter 30 Degree Shank Swivel**

SUPER 1200™ FLEX COULTER

Spring-loaded for protection. 1200 pounds of residue-slicing down force is available to penetrate even in the toughest soil conditions. Cutting power to spare, even when conventional coulters designs bottom out. Compact construction provides greater trash clearance in heavy residue.
